About **Livguard**[™] energy unlimited

Livguard Energy Technologies Pvt. Ltd. (LETPL), one of India's leading providers for power energy solutions is poised to transform the world with its cutting edge technology in solar solutions, power back-up, automotive solutions & e-rickshaw batteries. Livguard was founded in the year 2013 and is a part of the SAR Group which has been serving the nation for the past three decades. With our technologically advanced toolkit and trained technicians, we have achieved the customer's trust and faith in our products and services. This has helped us reach the 2,000 crore company milestone in a short period of time.
